

Before you request a remodeling quote.

Use these prompts to organize your ideas. You do not need every answer yet.

01 Start with the property

Note your city or ZIP code, the type of home and the rooms you want to change.

City / ZIP and rooms involved

02 Decide what stays and what changes

Separate items to keep, items to replace and layout changes you want to explore.

Keep / replace / explore

03 Choose your priorities

List your must-haves separately from improvements that could wait.

My three priorities

04 Share a budget starting point

Use a working range if you have one. It is fine to say that you are not sure yet.

Working range / open budget questions

05 Explain timing and access

Share preferred timing, any fixed deadline, occupancy and access considerations.

Timing / occupancy / access

06 Prepare your questions

Note any plans, photos or measurements you already have and what you need clarified.

Documents available / questions to discuss

Ready to discuss your project?
